To apply, please provide information and materials requested below:

applicant's name _____
home address _____
e-mail address _____
phone _____
parent/guardian _____
high school _____
current art teacher(s) _____

Essay (All items can be provided digitally to angi.reid@waterloo-ia.org or hard copies can be dropped off.)

In one to two pages describe your interest in the fine arts. You may want to address some of the following questions: Why did you first become involved with art? What inspires or motivates you to create? What do you hope to accomplish when you make art? How do you evaluate if your work is successful? What art media do you prefer and why? Do you have a particular philosophy of art or approach to art making? Are there specific themes, issues or ideas that you tend to explore in your art? What do you think that your strengths are as an artist? Essay must be typed, double-spaced on 8 ½ x 11-inch paper with one-inch margins.

Portfolio

Your portfolio should consist of 10 or more works of art. Slides, color photos and flash drive of images may be used but we strongly suggest the submission of actual works of art. Based on past experience, judges seldom award scholarships to those showing only reproductions. Artwork should reflect your dedication, skills and range. *Mark all pieces clearly with your name, title, medium, and phone number. Keep in mind that preparation and presentation are important.*

Letters of recommendation

Two letters of recommendation are required. At least one letter must be received from an art teacher, principal or guidance counselor. Please make sure that all letters are current and have been written within the last school year.

Application materials must be received by 5:00pm Friday, April 14, 2023

- application
- current transcript
- official SAT or ACT scores
